YOUR HOME

PEOPLE LOVE ST. MODWEN HOMES BECAUSE THEY STAND OUT FROM THE CROWD.

We have developed a wide range of different designs, all planned to provide an excellent environment that maximises the use of available space.

Our high standard specification and quality fittings together with the careful choice of materials ensure that your new St. Modwen home will be something to enjoy long after the initial excitement of moving in has worn off.

Whilst a new St. Modwen home already gives you so much more as standard, we offer a wide range of carefully selected optional extras and upgrades that will help make it even more special. The availability of these extras will depend upon the stage of build of your new home when you reserve.

Each and every new St. Modwen home is built with care by our team of dedicated craftsmen and is backed up by a 10 year warranty to give you complete peace of mind.

YOUR FUTURE

Whether you are looking for your first home or are moving up the property ladder, St. Modwen Homes build an exciting range of properties in a wide range of locations throughout the country.

We offer an extensive selection of house buying initiatives and incentives to help you buy your dream home and our dedicated sales team are here to help you at every step along the way.

St. Modwen Homes are committed to providing a first class service and our sales consultants are always on hand to answer your questions, whether that's regarding details about your chosen home, obtaining a mortgage or arranging a completion date. Our customer service continues once you've moved into your new home too.

We take our environmental responsibility very seriously and employ environmentally friendly building techniques and sustainable materials wherever we can. Our sites are developed with respect and care for the local community, for our workers and for the existing landscape.

St. Modwen Homes have won many awards, both from the industry and from our customers. These awards mean a lot to us, but building homes people love and being a good neighbour mean even more.
