

Orchard Mill Ditton

Kiln Barn Road, ME20 6QS

1, 2, 3, 4 & 5 bed homes available.

There's no place like your home.

When we set about building our homes, we always begin with the same four principles in mind – sustainability, flexible living, height and light, and community.

These principles are brought to life through thoughtful design, and with all of them combined, they create a home that enhances and benefits your lifestyle.

Building more than just homes.

Community matters.

Enjoy your surroundings.

"Community" can mean different things to different people. For us it means bringing people together and connecting our developments with the wider local area, so we never build homes in the middle of nowhere. Public services, schools, employment opportunities, shopping, restaurants, parks and the countryside are always within reach.

Why Orchard Mill

Here's why....

With a range of green open spaces, great facilities and play areas nearby, these new homes are ideally located to help people of all ages stay happy and healthy.

East Malling and Aylesford train stations are within walking distance getting you into London Victoria or St Pancras Station in less than an hour. So, whether you're looking for family days out or exciting nightlife opportunities, there is so much to choose from!

Also, for those who need to travel further afield, you've got easy access to the M25 or can get to Gatwick within 30 minutes.
